RE: Western Sydney Aerotropolis Land Use Infrastructure Implementation Plan

Dear Sir/Madam

[Redacted] WSA but not within the area designated as Agriculture and Agribusiness in the WSA LUIIP.

[Redacted]
and are making a group submission through Think Planners.

We believe that the current scale of the area designated as Agriculture and Agribusiness in the WSA LUIIP is **not sufficient** and needs to be increased.

The Agriculture and Agribusiness precinct is a necessity to the functioning operation of the high value perishable food and other related Agribusiness products and as such needs to be ready right from the opening of the airport in 2026.

We believe that the Agriculture and Agribusiness Precinct due this relevance should be brought forward to **Stage 1**.

Thank you for your consideration of our submission.

Yours Sincerely
