**Content:**

I was born and raised in this house at Rossmore. I have lived here for 20 years. My parents brought their property 25 years ago and have sacrificed and worked hard for what they have. My father has just turned 50, and has lived in Rossmore all his life. My mother is also 50 and has lived in Rossmore for the past 25 years. They started there business from nothing and rely strongly on this property to run and operate their business and they were relying on this property for their retirement and superannuation. It will be hard for them to find somewhere that is suitable and with enough land to run their business from without financial hardship.

Thank you for taking the time to read my submission.
