Type of enquiry: Feedback

Your enquiry is about: Local planning and zoning

Enquiry details:

I am one of the shareholders of the land at [REDACTED]. Currently this land is zoned as R5, while the adjacent land is R2 zoned. There has been absolutely no cultivation on this land for the last [REDACTED] years atleast. Under the circumstance, there is no reason to declare this piece of land as an agricultural zone. We would request you to reclassify it as an R2 zone enabling it to be utilised to the best benefit of the community and the upcoming airport development and expansion
