Submission Type: I am making a personal submission

Name Withheld: Yes

Suburb/Town & Postcode: 2178

Submission file: [webform_submission:values:submission_file]

Submission: Why has so much land been dedicated to the flood zone? This is being overly cautious but it is unrealistic and unfair to the landowners that have been affected by these schemes Please reconsider and reduce this large amount of land that has been allocated as a flood zone. My 70 acre block of land has only proposed to have 1/3 of it rezoned which renders the remaining land as being useless.
