Submission: My Suggestions to the plan will be the following: 1- The transit area should be at least 1000m away from Precinct boundary. 2- The Transit area should be at least 500m. 3- The Transit area should be granted as Environmental conservation. 4- Precinct Boundary can be a 4 lane road connecting to Mamre road. Or Rezone all battleaxe properties ( all properties next and included lot 1295). 2013 structure Plan was much better than the current one.
