Submission Type: I am making a personal submission

First Name: Ray

Last Name: Daher

Name Withheld: No

Suburb/Town & Postcode: Mount Vernon

Submission file: [webform_submission:values:submission_file]

Submission: Due to the complexity of the infrastructure being allowed I believe our properties at least, should be considered for rezoning The rural aspect maybe visual although the traffic will intensify which will lessen the rural aspect Please take this into consideration as we consider rural living essential not just from the perspective of living but also travel.... This will cause a lot of stress on the residents that surround the approvals
