Dear Ms Metcalf

**Re: Exhibition of the draft Mamre Road Precinct rezoning**

Thank you for your correspondence on 27 November 2019 regarding exhibition of the draft Mamre Road Precinct rezoning.

Review of the Mamre Road Precinct rezoning package indicates that the proposal should not affect existing DCJ assets and facilities, nor should it affect potential assets that are under consideration within the immediate area. As no issues have been identified, DCJ will not prepare a submission.

If you would like more information, please contact Catherine Colville, Senior Manager – Planning, Heritage, Environment & Sustainability, on 02 8688 3654 or via email: [catherine.colville@justice.nsw.gov.au](mailto:catherine.colville@justice.nsw.gov.au)

Yours sincerely
