Submission: Relevant Lot [REDACTED] I fail to understand how my property should be in a Conservation area, I am now less than 100 meters from an 8 lane highway, surely there are better areas to have a Conservation Area. I protest this decision. I was told my property is in The Urban Investigation Area, as it should be, it should be re-zoned immediately to residential as it is no longer viable as rural and is in the perfect location with access to in-place infrastructure for residential.
