Submission: Stop messing with nature. Leave it alone. Spend our money CREATING natural spaces by knocking down buildings and ripping up pavement. Listen to the people. Create habitat that is for the ecosystem our future needs. Create high taxes to people with multiple houses...you know them. Empire builders...greedy, colonising thinkers. Greatly tax Corporations. Especially polluters. Use THAT money to create new green space. Get with the program. Stop thinking 20th century style.
