Submission: Wilton was a small rural township with large block homes & farmland. Now it is exploding with developments. I live on a 5 acres rural property with livestock. I have now received a letter TELLING me they are changing our property from RU2 to E2. By doing this it will cause restrictions onto my property which interferes what I can do to benefit my livestock. Wilton has quite a degree of bushland which should be preserved & stop the excessive bushfire which destroys these areas for plants & animals. Maintenance of these bushland areas are important. Instead a bushfire occurs & then the land gets developed. Look at recent fires in the last few years & now development are being built there. LEAVE CURRENT LANDOWNERS ALONE AND STOP OVERDEVELOPMENT IN WILTON. ENOUGH IS ENOUGH. LET US BE IN PEACE. I AM AGAINST THIS PLAN BEING IMPLEMENTED IN WILTON AREA.
