Submission: Dear Dept Planning I'm against the rezoning from RU2 to E2 within the Wilton region. I have friends who own homes and land in these areas and it's not right for you to determine what happens to their land. Thanks You have approved an immense amount of new dwellings in our area and now you want to put a stop to it. It's one or the other, it cannot be both. I would hate to think that the 4 major developers are the only ones who get to make the majority of choices on what Wilton looks like in the future. If my friend wants to build a granny flat on their property or subdivide then they shouldn't be stopped because of this rezoning. Kind regards [REDACTED] [REDACTED]
