Submission: Attention: Recently Michelle and I received a letter stating the NSW Department of Planning Industries and Environment have put forward a proposal to rezone from RU2 to E2 . We purchased the property at [REDACTED] 11 years ago as a small hobby farm with intentions of it to stay that way. This is our choice to live where we do and it should not be taken away from us. Bingara Gorge has 450m2 blocks with no space for even a tree in the yard. Maybe you should change the re-zoning of that and LEAVE US ALONE ! Regards, Alan Rice
