Dear Elizabeth Irwin

I would like to express our concern and disappointment of the sudden proposed plan that will affect our land.

Firstly we were not consulted or nor did anyone come to inspect if our land qualifies for the E2 zone.

Our land is not scrubland, it is well maintained and clear.
It is not a habitat for wildlife.

An aerial photo and desktop review does not replace physical connection and a true picture.

Until the proper procedure is carried out, I request that the draft plan be withdrawn.

Yours faithfully,
