Submission: I am applying for an exemption for my property to CPCP 2020 by applying the avoidance criteria of appendix B in the draft plan I believe that if my property was to be properly assessed, as per our BAM study conducted by a suitably qualified consultant and a physical inspection carried out by your consultants and your staff it would meet the avoidance criteria to be NOT included in the CPCP 2020 as shown. I am applying for the urban capable boundary to be amended prior to the finalisation of the plan.
