Submission: I think this is a great opportunity for the City of Penrith to provide residents with parklands and nature reserves, as well as providing jobs, connectivity to the Greater Sydney Area and access to up to the minute facilities. It has been a long time coming for Penrith and the west as a whole to be brought into the future giving families exciting play equipment, community spaces, walking/riding paths as well as safe, top rate roads & highways to come home on. I cannot wait to see all the excitement that this will pump into Western Sydney and having it all on the doorstep of one of the world's best, Blue Mountains National Park. It really will be the place to be for the future having the best of both worlds at our fingertips.
