Submission: Dear Whom it May Concern, Please see below my concerns in regards to the 'Draft Plans for the Cumberland-Plain Conversation Plan' 1. We agree with the land categorisation of 'Certified - Urban Capable' for the properties at [REDACTED]

[REDACTED] Glen Alpine 2. We object to the Proposed Environmental Conservation Zoning within the properties [REDACTED] Glen Alpine 3. The watercourse residing in the properties [REDACTED] Glen Alpine is an isolated area of no ecological value. 4. There are already appropriate protections for this watercourse through the Water Management Act and it does not require zoning as E2 Environmental Protection 5. Zoning this area as E2 Environmental Protection unnecessarily constrains the development of the surrounding 'Certified - Urban Capable' land 6. We object to the Proposed Environmental Conservation Zoning within properties [REDACTED] Glen Alpine We request that, prior to the finalisation of the plan, this area be specifically reviewed in light of the above and the Proposed Environmental Conservation Zoning removed. Kind regards, Pero Durovic Mobile: [REDACTED] Glen Alpine NSW 2560
