To whom it may concern

I am [REDACTED] from Lots [REDACTED] Orchard Hill.

I would like to note that more than 15 years ago my father had a fruit orchard on the land (which was there from more than 30years ago). It since has been cleared & leveled more than 15 year ago.

Rye grass was planted on the land. Apart from this , some Weeds have grow.

At no stage was there ever any species of animals such as Koalas , snails & other creatures of interest as mentioned in your report.

Please take this in consider

Kindest regards
