**Submission**

With regard the proposed Standard Instrument amendment, a different abbreviation is required for Employment Zones rather than changing the abbreviations for the Environment Zones already in use - ie:

Environment Protection Zones

E1 National Parks and Nature Reserves

E2 Environmental Conservation

E3 Environmental Management

E4 Environmental Living

vs

Employment Zones

E1 Local Centre

E2 Commercial Centre

E3 Productivity Support

E4 General Industrial

E5 Heavy Industrial

Suggest Employment Zones uses

J1 Local Centre

J2 Commercial Centre

J3 Productivity Support

J4 General Industrial

J5 Heavy Industrial

or at the very least

EM1 Local Centre

EM2 Commercial Centre

EM3 Productivity Support

EM4 General Industrial

EM5 Heavy Industrial

**I agree to the above statement**

Yes
