Dear Sir/Madam,

#### **RE: EMPLOYMENT ZONES REFORMS**

Council refers to the proposed Employment Zone Reforms exhibited by the Department of Planning, Industry and Environment. Council welcomes the proposed reforms and looks forward to working with the Department to enact the proposed changes.

Council would request input to determine the relevant zones to be adopted within Cabonne Local Environmental Plan 2012 as well as the land uses that are permissible within each zone. Also clarification if land uses that are currently permissible or not permissible could be altered

In addition, Council would request clarification on the naming of the zones. The use of 'E' could result in confusion between employment and environmental zones. Is there a proposal to amend the names of environmental zones to avoid confusion into the future?

Should you have any further enquiries please contact Council's Development Services Department on [REDACTED] between 9am and 11am Monday to Friday.

Yours faithfully,

[REDACTED]
