Detail is needed regarding what is a "Strategic Centre" as shown in the various maps / plans. The plan identifies Dapto, Oak Flats, Kiama, Gerringong, St Georges Basin and Milton-Ulladulla as "Strategic Centres" but there is no detail of what this means, what outcomes are expected, etc

This level of detail is provided for Metropolitan & Regional Cities that are identified in the plan and supporting maps. However the strategic centre detail has been left out and is needed to give associated context.
