

The Director, Northern Region, Planning and Assessments,
Department of Planning, Industry and Environment,
Locked Bag 9022,
Grafton NSW 2460

To whom it may concern

I object to the proposed Iron Gates development for many reasons.
I have already submitted my objection to council, and I will submit my objection here also.

To claim there will be NO impact/ unlikely to impact etc; is unacceptable, as this is simply untrue.

Developing such a large area will have a significant impact, so misleading information to claim no impact is not ok.

This proposed development has too many grey areas, and misleading information.
