

Draft Mamre Road Development Control Plan

Submission summary table

The draft Mamre Road Development Control Plan (DCP) was exhibited from 10 November to 17 December 2020. The draft DCP provides planning controls for future development in the Mamre Road Precinct including building design controls, a road network, drainage strategy and landscaping and biodiversity controls.

A draft Integrated Water Cycle Management Plan and an Aboriginal Heritage Assessment have informed the draft DCP and were also made available for review and comment.

Submissions have been individually numbered from 01 to 42, and can be accessed on the Department's Planning Portal at: <https://www.planningportal.nsw.gov.au/MamreRd-DCP>

The table in this document indexes all submissions received during the public exhibition of the draft rezoning package. To find an individual submission in this table, you can use the keyboard shortcut 'Ctrl+F' on PC or 'Cmd+F' on Mac to enable a search function and then search the first name or surname of the submitted.

Submissions marked 'Confidential' are not available to download. Where this has occurred, it is at the request of the submitter for either commercial or personal reasons.

Where a submitter has requested their name not be printed it is listed as 'Name Withheld' and it will not be possible to search for the submission by name.

To protect the privacy of individuals, even where submitters have not requested their name to be withheld, any reference to phone numbers or email addresses have been removed.
