I strongly support the 2 year exemption for Rosebery Estate, as this maintains the heritage and history of the suburb. We chose to live in Rosebery due to the existence of the Covenant attached to it. This affects many aspects of residents lifestyles - the most serious one being privacy. 2 or more storey houses impede on our privacy, shade our solar panels that we invested in to support a clean environment. We urge you to adopt the exemption and respect/enforce the Covenant.
Thank you.
