I support the 2 year exemption for Rosebery Estate, as this maintains the heritage and history of the suburb. I bought my house in Rosebery due to the existence of the Covenant. This affects many aspects of residents lifestyles - the most serious one being privacy. 2 storey houses take my privacy away as neighbours look into my backyard, it affects my safety as I dont know who is looking at me and my family/grandchildren. Please adopt the exemption and keep the Covenant.

Thank you.
