Rosebery is a unique garden suburb in Sydney and should remain such.

Erecting two story buildings will destroy the beauty of the suburb which was originally set up to be a garden suburb and should remain so. We already have overdeveloped suburbs nearby with their ugly concrete constructions. Just have a drive thru Mascot and Zetland and you will know what I mean. Don't let Rosebery end up like them.

Yes I think heritage and beauty should reside over greed all the time .
