**Submission**

At present renovations and new builds under CDC are ignoring the Rosebery Estate Covenant which is still active and legal. In order to stop such developments that take away from the much loved Rosebery local character, I agree that a 2 year exemption would be a good start. However this needs to be addressed urgently, as a number of non-complying developments are being built. Ideally this exemption should extend well beyond 2 years.

**I agree to the above statement**

Yes
