Mayor
CITY OF SYDNEY

[REDACTED]

Dear Sir/Madam,

[REDACTED]. Our house is very old. Its almost difficult to renovate it. Me & my wife want to bring it down and **build new double storied house.**

I saw ***couple of houses already built double storied in this area.***

So I should be given same opportunity rather than discrimination. You are saying now, we should stop to build double Storied house.

But I want to get same treatment like other residents got.

I have two daughters born in this ROSEBERY. So I need to build double storied house for them.

I WANT SAME TREATMENT FROM CITY OF SYDNEY AND STATE GOVT. YOU CAN NOT STOP TO BUILD DOUBLE STORIED HOUSE. THIS WOULD BE UNFAIR.

PLEASE DO NOT STOP TO PERMIT TO BUILD DOUBLE STORIED HOUSE.

Regards
