Rosebery is traditionally a 1 storey suburb. I partially endorse the department providing a two year temporary exclusion from the Housing Code. The temporary exclusion should apply to 2 storey houses only. The department should not stop people being able to get CDC's for 1 storey houses and all of the other minor items the Housing Code allows you to do. Therefore i do not endorse the exclusion applying to 1 storey homes and all of the other minor items the Housing Code allows you to do.

I endorse the department providing a two year temporary exclusion from the Low Rise Housing Diversity Code. Rosebery should stay individual houses only.

The above is a good compromise for the department to put in place. Thank you for your consideration.
