**Please provide your view on the project**

I object to it

**Submission**

After reviewing the proposal, I am at a loss to understand why taxpayer dollars would be allocated to build a "bridge" to nowhere, particularly when 50m away is a perfectly adequate foreshore path for residents and visitors to move through the area and enjoy its amenity. What next? A footbridge from Pyrmont to Barangaroo? A footbridge from Circular Quay to the Opera House?

**I agree to the above statement**

Yes
