I am just providing comments

**Submission**

While I am supportive of the project, I am concerned about the plan to make Pyrmont park into an event area and to connect it somehow to the Star casino.

Currently, it is a peaceful park area enjoyed by visitors and residents. It acts as a buffer from the Star casino and helps protect people from the rowdy, alcohol-induced, patrons of the casino, who regularly cause havoc. It is important NOT to expand the bad footprint that the Star already has. Indeed, it would be desirable to restrict his negative effect, rather than expand it.

Moreover, I feel that the residential aspect of the expansion plans has not been sufficiently considered. There are many apartments on the waterfront, the residents of which enjoy peaceful, relatively quiet cohabitation with the environment. To turn Pyrmont park into an 'event space' would be terrible for the current apartment residents. It should not be overlooked that Pyrmont is a residential area, not a playtime area like parts of Darling harbour and the City .

**I agree to the above statement**

Yes
