Harris St is the heart of the Pyrmont Village. I would like to see Harris St made one way (Ultimo to Pyrmont) from Allen St to John St and Pyrmont St also made one way (the other way) from John St to Pyrmont Bridge Rd. This would allow an expanded pedestrian path and much more street dining for restaurants in that area. Bays would allow deliveries say till 11am and 2 to 5 pm and these bays become available for restaurant seating areas outside of these times.

I agree to the above statement
