Submission

I oppose further expansion of the star casino and the location of the metro site in a position close to the casino.

Please reduce vehicle traffic on Harris Street and Broadway, and widen footpaths along these busy arterial roads. Please improve the balance between cars and pedestrians throughout pyrmont and Ultimo. Increase tree coverage in this area and make it more walkable. Consider expanding dedicated separated bike lanes to provide access between the universities and the CBD.

Ultimo should be a place for 24/7 entertainment options for everyone (young and old), including bars, restaurants, music, theatre, other performance spaces, retail and more. It occupies a unique place in Sydney, right next to central and between many universities, and could provide a much needed entertainment precinct similar to what Kings Cross used to be.

I agree to the above statement

Yes
