Submission

I am the berth ██████ and apartment (██) owner at ████████████████████. I object to the footbridge / "pier connection' across the bay from where LUMI Dining currently sits to Darling Island / Metcalfe park. That proposed addition will increase disturbance and noise to our residential area. The construction of that foot bridge will also alter the beautiful and clean design of that bay area. Currently, the wharf are all nicely placed in one section. The current arrangement should not be altered. Pedestrian can still walk around on Pirrama Road comfortably, without the need of a footbridge.

I agree to the above statement

Yes
