I object to it

**Submission**

I object to the proposed diversion of the bus route along Bowman Road to Blackwater Bay. Bowman Street is in the Jacksons Landing precinct which is clearly a residential area. The diversion of the bus route would subject residents to noise, heavy traffic and all the attendant safety issues for young families.

There are community facilities on Bowman Street (swimming pool, function rooms, gym) which are heavily used by Jacksons Landing residents. Increased traffic on Bowman Road would present a hazard to residents.
