Hi.. Raising concerns re [redacted] willowdene ave Luddenham. We have been rezoned as agribusiness despite the property being well suited to employment/mixed uses. In light of the rezoning we request that you look at the scope of the agribusiness precinct and add flexibility to uses in some areas to broaden the use of the agri zone to overlap similar uses to employment/mixed uses [redacted] willowdene ave would be ideal as such a pocket as we have always been part of the village in fact we had a small portion zoned village under Penrith council. We have town water servicing our block and we request that we be included with the village in stage 1. I have written several submissions as a precaution as I feel strongly to my concerns and requests. Congratulations on the work thus far and hopefully our community will be happy with the outcome.
