Why would you put such a long park along Bringelly Road? It essentially isolates the Aerotropolis from the adjoining precincts. Bringelly Road being such a major arterial road could accommodate much more significant development. There is enough green space/parkland already. The park should be removed and the adjoining precincts such as South Creek West should be able to leverage off of the Aerotropolis or perhaps expand the Aerotropolis on the future as it is needed.

I agree to the above statement

Yes
