My Family are the owners of [REDACTED] Luddenham Road Luddenham. We have owned and run cattle on this property for over 33 years. We feel that the property has been disproportionately effected by both Green space and Motorway compared to other properties in this Zone. {This represents over 80 % of our total land area} We strongly object to the proposed plan for our property and would like to discuss our situation.We are very upset by what is happening to us as it will have a major financial impact on us compared to other land holdings in the area.
