So dissappointant with the authority overseeing the western sydney growth area the amount of money spent on glossy useless brochures, and god only knows how many millions were spent on consultants to produce the brochures all for nothing they are all useless , Consultation with the residents who you are going to displace, from their homes is where you should be spending more time and money on . What are all the pictures of families for, what have they got to do with the growth centre . ABSOLUTELY HOPELESS , I live in the area and kicking me out of my home is not enough you now want me to pay for the airport and infrastructure as well

I agree to the above statement
Yes
