Submission

Dear sir,

For the development it is essential that the rail line is extended from Edmonton Park to the Aerotropolis. The new Metro West will link the Aerotropolis to Mount Druitt. This will enable people who will work here access to transport from various places within Sydney. Rather than limiting only people from one direction. It is imperative that the 4 kilometre route from Edmondson Park to the Aerotropolis is reserved.

Wayne Godfrey

I agree to the above statement

Yes
