As a key stakeholder in the Northern Gateway my family have lived here for over 40years & I completely disagree with the new precinct plans for the proposed Green space.

We CATEGORICALLY DISAGREE with the drafts.

This is our land which we have paid our rates since day one.

You cannot just come in & take our land for whatever you want to change the use of, AND not even pay the market price for.

You will completely devalue our prime land & the use with this green space.

The levy's are completely unfair & unjust.

Why should I as a land owner have to pay the levy which is far too high & why isn't it the same as the rest of NSW.

If green space is so important then you need to pay for it from the levy.

It's NOT up to us as land owners to pay for all of your green space.

I agree to the above statement

Yes
