Submission

Strongly object to 100% of the green space proposed on my property when across the road on the southern end of Elizabeth dr here is NO proposal of any green space.

With the proposed alignment of the new infrastructure on my property, it will land lock both the front & back end of my property & will completely devalue any proposed development.

As such a major iconic corner it will become within the area.....

Why has all the green space been applied to our side of Elizabeth Dr from the Northern rd to Luddenham rd?????????

I agree to the above statement

Yes
