Submission

I lived in the areas from 2007 to 2017 for more than 10 years.

- 1) The stations I proposed are not served by any current rail lines.
- 2) The local centres, e. g., schools, shopping centres and others desperately need the Metro Link.
- 3) The proposed routes are all a ice surface and requires the least purchase of properties, and hence lowest cost possible.

=====

Metro West East (Westmead - 3 Badgerys Creek International Airport)

Mitch Zhu's Proposal
