Due to Aerotropolis so many people are moving to areas near Aerotropolis. For example Austral has 4 big schools are the moment and 1 more coming, due to which there is very huge amounts of traffic in school times. This will become more and more worse as the years go by. Council should start building wider roads and infrastrucutre in Austral as the amount of traffic Austral will be more than any other suburb in this area because of a lot of schools.
