To the Planning Department!

I am Peter Maday of Kemps Creek, part of Wianamatta South Creek Precinct. Our home of the last 52 years is affected by the Department of Plannings zoning of environmental parkland.

We are not opposed to the plans, we are opposed to the treatment we are receiving, which is inflicting extreme stress on our family and the whole community.

What the Department is doing it is legalised THEFT!!! It is unjust, unfair to us and the small land owners in this precinct.

All the land before rezoning was developable and should continue to be so! If it's needed to be a park, green space then buy it at a fair price and let us move on with our life.

We need respect, results, certainly and a fair outcome!!!

Regards

Peter Maday and family
