To whom it may concern

My name is Alex Muscara and I live at [REDACTED] Floribunda road, Kemps creek N.S.W 2178. I disagree with the current draft plans for my family property which I have lived at all of my life. Our property is about to be zoned around 85% Environmental green space and around 15% Enterprise, I believe that our property is valuable land needed for enterprise to create jobs and a better future. You have hundreds of acres of green space land directly behind our property so it doesn't make any sense at all to include our land. I'm asking you to bring the line back as it is clear there is no need for our property to be zoned for Environmental green space usage.

Regards

Alex Muscara
