Submission

We, the Community Surrounding the Western Sydney Airport held a Community meeting on Tuesday 9th March 2021 against the Dept of Planning's proposed 'Green Space' debacle. In support of the residents and landholders and speakers on the day were: NSW Members of Parliament - Tania Davies & Peter Sidgreaves, NSW Opposition Leader - Jodi McKay, NSW Shadow Minister for Western Sydney - Greg Warren, NSW Federal Member for Werriwa - Anne Stanley & Councillors from Liverpool Council - Clr Rhodes, Clr Hagarty and Clr Harle. Media attended from: 7news, 9news, ABCnew, 2GB and Sydney Telegraph. Unfortunately, the minutes were unavailable to send in this submission but photos are attached. We, the Community are outraged with the Dept of Planning for the repercussions of the Draft Precinct Plan on the community surrounding the Western Sydney Airport. It's wrong and it's unAustralian. As described at the meeting, it is legalised theft of land from hard working owners. As well as, financial burden of increased rate structures due to the zoning changes on rural lands that have no potential to develop for years. We, the Community request the Government pay for all Green Space and to reduce the amount of Green Space the Dept is requiring.
