I have been a resident of Overett Avenue Kemps Creek for the past 25 years. In that time I have rebuilt a home not just a house, raised a family and enjoyed the aspects of rural living. While I'm not opposed to new developments i am disillusioned that government & planning seem to be heartless towards residents that have been the caretakers of the local area. Some compassion needs to be shown as some locals have lived here all their lives. People need to be able to move on in a dignified way and with some sort of financial stability. We are only asking for a fair go. Thank you.
