SUBMISSION WIANNAMATTA CREEK

8th March 2021

I have lived here for 45 yrs.(from1975) and  
My land/home, [REDACTED] Rossmore Ave, ROSSMORE..or cnr of Rossmore Ave and May  
Ave..has never been flooded out. The water has come up the road May Ave from the crn  
of Wynyard Ave crn. And up a laneway at the crn of May And ROSSMORE..the bottom  
half of my land has been under and but within a day resided.The other end from the  
laneway has not come onto my land within the house area.

South Creek is full of rubbish and rubble. If it was cleaned out the water would flow 100  
times better and not accumulate round corners.

If council/ Government are to pay me out all I want is the correct price for my 5 acres or  
any part of land taken. I have not had

Superannuation as I have always said my home/land is my super so it's only natural I  
need the correct payment.

I understand land\_road\_properties ECT. Are all in the future planning systems but please  
be fair to all concerned.

Thank you

From Katie REGENT.
