Aerotropolis Precincts Submission

To whom it may concern,
My name is Angelina Ripepi and I live at [REDACTED] Wynyard Ave, Rossmore. My father and I have lived her for close to 30 years.

I am writing in regards to the proposed re zoning of Rossmore within the Aerotropolis.
The mapping of the re zoned areas to be green land are not to scale and aren't easy to read for the every day person.
From what I can gather, the proposed rezoning will render the properties within Rossmore almost worthless after many residents have lived here all their lives. It's not fair that people that have lived here for years and years paying rates are sitting on land that might sell for less than what they purchased them for.
If the land can no longer be sold due to the lack of land value than a compulsory government acquisition plan should be proposed to residents.

Regards

Angelina Ripepi
