Submission: Good evening, I would like it noted that I object to the SAP Development, reaching as far as Mary Gilmore Road. I think it should end at Trahairs Road. This will stop any negative impacts of view, noise, smell or anything adversely affecting the residents of Brucedale and Mt Pleasant. I particularly object to anything spoiling the beautiful view that we currently have. This is where I have grown up and lived my life with the extreme good fortune to have lived in such a beautiful place that I do not want spoiled for my family and our future family. As a student of law and policy, I also object to the concerns of the Brucedale residents seemingly falling on deaf ears. These concerns have been raised from the very beginning with the expansion past Trahairs road with everyone making it very clear from day one that we were all unhappy with any plans that would make it past Trahairs road. Please do not move the industrial SAP development past Trahairs Road. Thank you, Andre Vecchio
